

PROCUREMENT NOTICE

Project Name: SMATSA Upgrade of System for Air Navigation – SUSAN Programme

Promoter: Serbia and Montenegro Air Traffic Services SMATSA Llc

The Serbia and Montenegro Air Traffic Services SMATSA Llc (hereinafter referred to as “the Borrower”) has received a loan from the European Investment Bank – EIB (hereinafter referred to as “the Bank”) – towards the part of the cost of the Project - SMATSA Upgrade of System for Air Navigation. This procurement notice relates to the contract for the Project Component - Construction of Annex to the Air Traffic Control Center (ATCC) Belgrade with Belgrade Air Traffic Control (ATC) tower. This contract will include construction of the ATCC Belgrade Annex that consists of one underground level, ground floor + 3 floors, taking into account size and shape of the administrative part of the existing ATCC Belgrade building. Extension of the ATCC Belgrade building is necessary primarily for the purpose of providing additional space for a new main Data processing system testing platform and the expansion of the existing Pre On the Job simulator. Within the ATCC Belgrade Annex there are technical rooms, offices and a restaurant for the employees.

The new ATC tower building, placed next to the ATCC Belgrade Annex will be composed of one underground level, ground level + 16 floors. Its height will be app. 75 m relative to the ground, and the surface area of the tower operational room will be app. 100 m².

Total area of ATCC Belgrade Annex with Belgrade ATC tower will be app. 7 500 m² (including underground levels).

This contract is expected to be implemented from December 2018 to June 2020.

All firms are invited to participate in the tender. The contractor that shall perform works under the respective contract shall furnish required licenses issued by government authorities and authorized bodies in the Republic of Serbia.

For the respective Project, the Promoter published General Procurement Notice in the Official Journal of the European Union, on 19.8.2017, which advises community about the nature of the Project.
