II.2) **Description**

II.2.3) **Place of performance**
NUTS code: RS Srbija/Cpбиja / Serbia
Main site or place of performance:
Republic of Serbia, Belgrade, location near the Belgrade Nikola Tesla Airport.

II.2.4) **Description of the procurement:**

The subject of this Contract is the execution of works on the Construction of the facility and supply infrastructure for the needs of Terminal Area Radar (TAR) Belgrade

Name and designation from the CPV: 45000000-7 - Construction Works

The Investor undertakes to pay the price as follows:

1. advance payment in the amount of 20% of the total Contracted Price,
2. the remainder of the total Contracted Price shall pay through Interim Payment Certificates with a reduction at least proportional to the percentage of the advance payment, i.e. through the Final Payment Certificate.

The total deadline for the execution of the Works is 180 calendar days from the date of introduction to works.

The warranty period for the installed equipment and the quality of the performed works is minimum 24 months from the date of signing the Report on Taking-Over and the Final Calculation of the Executed Works by the authorized representatives of both parties.

MEANS OF SECURITY:

- Bid Bond,
- Advance payment guarantee,
- Performance bond,
- Bank guarantee for remedy of deficiencies within the warranty period,
- Insurance policy for the facility under construction against usual risks and liability insurance to the benefit of the Investor, i.e. third parties,
- A professional liability insurance policy of the contractor.

In the procurement procedure, the Bidder is obliged to meet the criteria for the qualitative selection of the business entity in terms of the grounds for exclusion, as follow:

1. FINAL JUDGMENT FOR ONE OR MORE CRIMINAL OFFENSES,
2. TAXES AND CONTRIBUTIONS,
3. OBLIGATIONS IN THE FIELD OF ENVIRONMENTAL PROTECTION, SOCIAL AND LABOUR LAW,
4. CONFLICT OF INTEREST,
5. INAPPROPRIATE INFLUENCE ON THE PROCEDURE and
6. ILLEGAL ACTIONS.

If the tenderer submits a tender with a subcontractor - none of the subcontractors may have the grounds for exclusion from the above-mentioned points from 1. to 5.

If a group of Tenderers submits a Joint Tender, no Tenderer from the group of tenderers may have grounds for exclusion from points 1. to 6.

Section VI: Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: no

VI.3) Additional information:

GROUNDS FOR EXCLUSION:

1. FINAL JUDGMENT FOR ONE OR MORE CRIMINAL OFFENSES -The business entity must prove that it and its legal representative in the period of the previous five years from the expiration of the deadline for submission of tenders, have not been convicted, unless the final judgment establishes another period of prohibition of participation in the procurement procedure.
2. TAXES AND CONTRIBUTIONS - the business entity must prove that it has paid the due taxes and contributions for compulsory social insurance or that it has been granted a deferral of debt payment, including all accrued interest and fines, by a binding agreement or decision, in accordance with a special regulation.
3. OBLIGATIONS IN THE FIELD OF ENVIRONMENTAL PROTECTION, SOCIAL AND LABOUR LAW- the business entity must prove that in the period of the previous two years from the expiration of the deadline for submission of the tenders, it has not violated the obligations under the Labour law in application of social and labour law, including collective agreements, and in particular the obligation to pay contracted wages or other compulsory payments, including obligations and national and international standards in the field of environmental protection, health and safety, as well as those contained in any relevant International Labour Organization (ILO) convention, and international agreements on environmental protection, and obligations in accordance with the provisions of international conventions listed in Annex 8 of the Law on Public Procurement.
4. CONFLICT OF INTEREST - the business entity must prove that there is no conflict of interest, in terms of the Law on Public Procurement, which cannot be remedied by other measures, as well as that there is no conflict of interest in accordance with Article 1.5 of the Bank's Procurement Guide, which stipulates that a conflict of interest exists when a situation arises in which the Procuring entity's impartial and objective functions or respect for competition principles, prohibition of discrimination or equal treatment in the procurement procedure, or in performance of contracts, are jeopardized for reasons involving family members, emotional life, political affiliation or nationality , economic interests or any other common interests. The concept of conflict of interest covers any situation in which the employees of the Procuring entity who are involved in the conduct of the procedure or may influence the outcome of the procedure, have a direct or indirect, financial, economic or other personal interest that may be considered to compromise their impartiality and independence in the context of the procurement procedure, or performance of the contract.
5. INAPPROPRIATE INFLUENCE ON THE PROCEDURE - the business entity must prove that it did not try to exert an inappropriate influence on the decision-making process of the Procuring entity, or to obtain confidential information that could give it an advantage in the procurement procedure, or that it did not provide misleading information that may affect decisions concerning the exclusion of the business entity, the selection of the business entity or the award of a contract.
6. ILLEGAL ACTIONS - The business entity must prove and undertake that neither it, nor anyone, including its directors, employees, agents or subcontractors, if any, acting on his behalf with the appropriate authorization or with the knowledge or consent, or with its support, is not involved, nor will be involved in any illegal actions (as

defined by the Bank) in connection with the procurement procedure or in the performance of any works, delivery of goods or performance of services, for the Procurement and implementation of IP VCS system and that he undertakes to notify the Procuring entity if any person from its organization responsible for ensuring compliance with this Statement, becomes aware of any such illegal actions
